No Entry For Exhibition Only

No entry "For Exhibition Only" shall be accepted, except as provided for in Chapter 10 when Intro Program classes are offered. See additional note for club policy regarding dogs that measure up.

General Rule on Eligibility

This event is sanctioned by the United States Dog Agility Association, Inc. ("USDAA").

This test is open to all persons with dogs being at least 18 months of age (14 months of age pursuant to Chapter 10 for Intro Program when offered), regardless of pedigree or absence thereof, who have a current registration with USDAA and whose owners and the dog's handler are currently in good standing with USDAA.

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at www.usdaa.com.

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

NEAT Refund Policy

Please note: Overpayments of entry fees are not refundable. Please check your math!

A dog or handler who suffers an injury and/or illness, or bitches that come into season after the closing date may be eligible for a refund of up to 50% of the total entry fee paid for that dog. Requests for said refunds must be received in writing by the Test Secretary by Monday, May 13 at Noon and must be accompanied by a dated letter from the veterinarian or doctor on the veterinarian's or doctor's letterhead with a brief description explaining the reason the dog, or the handler, cannot compete.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

TSS BAD CHECK policy

Bad checks are defined as any check that does not clear our bank the FIRST time it is deposited. A bad check will incur a \$30 fee plus any additional bank charges, regardless of the reason for the bad check.

General Entry Conditions

Prohibitions on Aids & Devices

No leads, collars, food, toys or other aids or devices shall be permitted on the course at any time, except as provided for in Chapter 10 when Intro Program classes are offered, or in Chapter 8 when Junior Handler Program classes are offered.

Statement of Responsibility

A competitor whose dogs, children or guests create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Event Organizing Committee, be asked to leave the test site.

Policy on Fault Limits

In the event of a larger entry, fault limits may be set at the discretion of the Organizing Committee and/or Judge without pre-event notice.

Class Descriptions

Masters Challenge Classes - Championship & Performance

EFFECTIVE FOR SHOWS CLOSING AFTER JANUARY 1, 2013

All dogs - regardless of level of competition - are eligible for entry in the Masters Challenge classes and to earn qualifying scores. These qualifying scores will remain on the dog's record and calculate toward Masters Challenge titles once the dog achieves the Masters Standard / Masters Performance Standard and Masters Jumpers / Masters Performance Jumpers titles.

Additionally, these dogs continue to be eligible for their appropriate level in the regular classes at all levels, unless stipulated otherwise in the Agility Test Schedule. Competitive placements in the Masters Challenge Standard and Jumpers classes accumulate points for annual ranking for Agility Top TenSM and Performance Top TenSM.

Masters Challenge Qualification for 2013 Handlers Challenge Biathlon

At both local and regional events, a qualifying score in the Masters Challenge Standard or Jumpers (Performance included) will make a dog eligible for entry in the 2013 Cynosport World Games Handlers Challenge Biathlon being offered for Championship and Performance. So that any dog may compete in this special Cynosport tournament, the Masters Challenge class rules have been modified to allow a dog at any level of competition to enter. Further details can be found at www.usdaa.com.

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/rulesReg_eBook.cfm, and any amendments there to, which are downloadable from www.usdaa.com/rulesReg.cfm, each of which are hereby incorporated by reference.

Tournament Class Rules & Descriptions

One or more tournament classes are being held at this event, the rules and description of which may be downloaded on the Internet at www.usdaa.com/gen_formDoc.cfm, and are hereby incorporated by reference. A written copy may be obtained from the Event secretary.

Mixed-Height Pairs Entry Allowed

Dogs entered as partners in pairs relay at this event may be combined without regard to jump height, i.e. a mini dog may be entered as a partner with an open dog. Any pair consisting of at least one open dog must qualify in accordance with the QCT set forth by the judge of record for Open Pairs AND will be considered an open pair for placement purposes.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. Once a competitor has earned a qualifying score with a dog in a Veterans class, the dog is no longer eligible to enter that class in the Championship or Performance Programs when a Veterans class is offered. Complete program rules can be found at www.usdaa.com/rulesReg_eBook.cfm which are downloadable from www.usdaa.com/rulesReg.cfm

Check-in & Measuring

Dog Measurements & Certification

All dogs not jumping 26" in the Championship Program or 22" in the Performance Program must be measured unless they have a permanent USDAA or World Cynosport Dog Registration card or a temporary card with 3 signatures as required by the regulations, making the dog eligible for their jump height (prior to 3 years of age). When not enrolling electronically, please send a copy of one of the following items to facilitate the check-in process:

- photocopy of permanent dog registration card,
- printout of the dog-information page from your USDAA® competitor web account, or
- copy of your check-in letter from USDAA indicating your temporary card has been accepted by the USDAA office and your permanent registration card is in process.

A Dog that Measures Up at Check-In - May Run FEO

If a judge's measurement of a dog at check-in establishes that the dog is ineligible for the height class in which entered, the competitor may opt to run the dog in the lower jump height class "For Exhibition Only", and no awards or qualifying scores may be earned. The competitor may not change their entry from one program to another (e.g., from Championship to Performance).

Dogs must be registered with USDAA in order to compete in USDAA sanctioned events. A registration card and number with a "U" prefix will be issued to facilitate entry at USDAA events and tracking of show results in the regular classes.

Junior handlers (those 18 years of age and younger) and their dogs must be separately registered for participation in the USDAA's Junior Handler Program (UJHP). A registration number with a "J" prefix will be assigned for use in entering UJHP events. A dog competing in both programs (regular classes and UJHP) must be registered separately for each program, for which the total fee is \$50.00. *Register online at www.usdaa.com and save more than 10%.*
